Mercrer to Richmond. This visit of the journey of M. Mercrer to Richmond. This visit of the Minister of France to the capital of the Seuth would have been a decisive matter a few days ago; certainly it would have been a decisive matter a few days ago; certainly it would have been so before the battle of Pittsburg. It may be that that battle puts cratic and Border-State hostility to annul or as to their own? Ah! but we are all to be ance Beige assures us that the month of April has rations of lawyers, each of them as exclusive ing institution.

seriously modify Gen. Hunter's order-perhaps graciously allowed the Chicago Platform! We been employed in London as well as in Paris in ne- as it will, and each thoroughly apprising the either a diplomatic intervention of the two maritime Powers in the Anglo-American conflict, or the recog man who has a suit in Court has a natura nition of the South by the principal Governments of Europe. Dispatches to this effect had already been sent to M. Mercier, when the capture of Island No. 10 intervened, and deranged these combinations, which were perhaps rather premature. The French will do well to hesitate to the end, may have deemed Mr. James's answer to those who are new that the battle of Pittsburg did not mark a favorable pursuing him should in spirit be, "Let moment for changing from reflection, to action, especially when the country testifies by unequivocal Mr. Lord cannot help knowing many a mem signs its increasing sympathy with the North. Such is the story of the Independance Belge. This story contains particulars, of which so little has hitherto transpired to the public, that we should have hesitutionnel for some days past, and the pamphlets which have been published from the office of the Pays, have caused us some inquietude on this

MR. JAMES.

Mr. Edwin James walks among us a striking illustration of the mutability of earthly fortunes. Scarcely two years ago, he was one of Counsel, Recorder of Brighton, a Member of the leading barristers of London, a Queen's Parliament, and earning by his profession some plies it. \$30,000 to \$50,000 per annum-not a bad position for a self-made man hardly past the he collapsed-resigned his Recordership, his seat in Parliament, his membership at the sejourn in Paris, he came to this city, where he was readily admitted to the bar of our text for a mean fling at our loose ways in The Saturday Review, but most unjustly, for there was nothing in what was public of the career of Mr. James to justify his exclusion. Since then, the legal corporation or guild of London lawyers known as the Benchers of Lincoln's Inn have instituted proceedings against Mr. J. in his absence, and have had him disbarred there for alleged dishonorable conduct in certain pecuniary transactions with Lord Worsley, M. P., son of the Earl of Yarborough, to whom Mr. J. acknowledges himself indebted in the large sum of £30,000, as also in the matter of certain dealings with Herbert Ingram, M. P. (now deceased), of whom he borrowed £1,250 while he was counsel against him in a certain was a candidate for Parliament, and the money so borrowed by him was advanced by Mr. Ingram, as like advances were made by other promotion. Men of large experience, and Liberals, to aid him in defraying the heavy whose services in their present positions, a expenses of the canvass-to be repaid, of Ordonnee Instructors, or in charge of Navy-

This admission was made the him against future aberrations, and steeled him with resolution to walk ever more in the straight and narrow path of rectitude. We de not understand that there was any fraud or flaw in the papers on which he was admitted to our Bar, and we doubt the justice or necessity of disbarring him now because of subsequent proceedings abroad. If he has erred in the past, give him a chance to do better in the future. Let him begin here as a new man. and stand or fall by the character he develope among us. And, if he will henceforth avoid the mistake of attempting to bully such mea as Daniel Lord, refrain from such absurdities at his Astor-House meeting, frankly admit his past errors, if errors there were, and try to live modestly and diligently among us, such will be the general opinion.

Under the present organization of the Name Department there is one class of officers who labor under a peculiar disability in regard to Yards and Founderies, are of none the les These proceedings in London and their result importance because they are comparatively us have rendered such efficient service, and wa We have endeavored to state the material fame and rank at the South and West. Capt

-Wm. Price, esq., of Baltimore, was, on Thurs-States as District-Attorney for Maryland, in place of Wm. Meade Addison, esq., whose term of office is
